Dear Charleston Court Resident

We appreciate your residency and appreciate the fact that you may want to have friends or family join you at Charleston Court Luxury Apartment Homes.

However, please be advised that we are no longer adding occupants to current leases.

The only exception will be marriage and birth of a child.

Please understand that there will not be any exceptions.

The lease does not allow you to have unauthorized occupants residing in your apartment. If management finds unauthorized residents residing in your apartment, this could lead to your lease being terminated.

Thank you for your cooperation,

Charleston Court Management
